Second Grade Supply List for 2020-2021 – page 2 of 2

The following rules are in effect in second grade during this time of Covid-19 Pandemic. As soon as it is safe, some of these rules may be modified.

- Students will NOT be bringing backpacks to school this year in 2nd Grade.
- Students will need to bring their own lunch every day; there will be no Happy Lunch program. Students will also need to bring a water bottle each day. Students may bring a snack for morning snack time and an afternoon snack, if they are staying past 3 PM. No juice or other liquids allowed since we will be eating inside the classroom.
- All graded work and tests will be kept by the teacher in a student file. Every Monday, by 8 AM, work from the past week will be graded and recorded on our on-line SchoolSpeak System. These grades will then be posted so that parents can view the grades and keep track of student progress. **If you would like to have your student's work sent home on a weekly basis, please provide the teacher with two dozen (24) manila envelopes (at least 9 X 12 size – nothing smaller). The envelope will be used to send home your student's work each week.** This work will be kept at home by the parent.
- All communication to and from school will be done on-line as much as possible through the SchoolSpeak system and email.
- Students must have a mask with them at all times.
- There will be no homework this year in second grade. All work will be done in the classroom, to minimize the paperwork going back and forth from home to school.
