Pa's Pumpkin Patch is located in Long Beach off PCH. They convert a corner into a Pumpkin Patch Wonder Land that encompasses rides, carnival games, and pumpkin fields. Decorated with cornstalks and scarecrows, kids whip around Pa's wild roller coaster and slip down the giant inflatable slide. They also have a petting zoo with goats, baby chicks, ducks, and rabbits. Between reflective strolls through the mirror maze and bounce time at the Halloween Castle inflatable, kids can also win stuffed animals and toys at the carnival games. With over 28+ attractions, there is fun for everyone. Before calling it a day, families can sip and nibble seasonal treats at the snack bar and then pick up a pumpkin to take home.
